B. ACKNOWLEDGMENT OF RISK: I knowingly, willingly, and voluntarily acknowledge the inherent risks associated with the sport of equestrian and know that horseback riding and related equestrian activities are inherently dangerous, and that participation in any USEF Event involves risks and dangers including, without limitation, the potential for serious bodily injury (including broken bones, head or neck injuries), sickness and disease (including communicable diseases), trauma, pain & suffering, permanent disability, paralysis and death; loss of or damage to personal property (including my mount & equipment) arising out of the unpredictable behavior of horses; exposure to extreme conditions and circumstances; accidents involving other participants, event staff, volunteers or spectators; contact or collision with other participants and horses, natural or manmade objects; adverse weather conditions; facilities issues and premises conditions; failure of protective equipment (including helmets); inadequate safety measures; participants of varying skill levels; situations beyond the immediate control of the USEF Event organizers and competition management; and other undefined, not readily foreseeable and presently unknown risks and dangers. A number of inherent risks are associated with a domesticated animal activity. A domesticated animal may behave in a manner that results in damages to property or an injury or death to a person. Risks associated with the activity may include injuries caused by bucking, biting, stumbling, rearing, trampling, scratching, pecking, falling, or butting. The domesticated animal may act unpredictably to conditions, including, but not limited to, a sudden movement; loud noise; an unfamiliar environment; or the introduction of unfamiliar persons, animals, or objects. The domesticated animal may also react in a dangerous manner when a condition or treatment is considered hazardous to the welfare of the animal; a collision occurs with an object or animal; or a participant fails to exercise reasonable care, take adequate precautions, or use adequate control when engaging in a domesticated animal activity, including failing to maintain reasonable control of the animal or failing to act in a manner consistent with the person's abilities ("Risks").

I also agree to be responsible for any injury or damage caused by me, my horse, my employees or contractors under my direction and control at any USEF Event.

D. E. COMPLETE AGREEMENT AND SEVERABILITY CLAUSE: This Agreement represents the complete understanding between the parties regarding these issues and no oral representations, statements or inducements have been made apart from this Agreement.
